Debtor)	JUDGE:

**MOTION TO EXTEND TIME FRAME FOR FILING OF
REAFFIRMATION AGREEMENT UNDER §4008**

Now comes Debtor, Erica Neal, who humbly requests this court extend the 60-day time frame to file a Reaffirmation Agreement under §4008. Under §4008, the debtor has 60 days from the first date of the §341 hearing to file a reaffirmation agreement, which may be enlarged at the discretion of the court. In the instant case, this date translates to May 10, 2020, and concerns a car loan for Erica Neal's 2019 Toyota Yaris. The decision whether or not to reaffirm this loan hinges upon finding a suitable replacement vehicle with a suitable price, which has been greatly hampered over the last weeks by the state's Coronavirus quarantine. Erica Neal requests this Court extend the reaffirmation deadline by 30 days in order for her to investigate, and then decide, if she is going to reaffirm this loan.

Respectfully submitted,
